FIVE QUESTIONS TO ASK A TRAINING PROVIDER

01 What are your areas of expertise? Can you provide testimonials and proof of results in these areas?

02 Who will deliver the training program? When was your program last updated?

03 Can you ensure that your training will be pitched at the correct level and provide increased staff productivity?

04 Will I be able to measure the success of the training we undertake?

05 Why should we choose to partner with your company?
