

Perfect proposal

WITH JAMES MCCULLOUGH

IT was like a scene from a movie. **Sarina Russo's** heir apparent to her jobs network, **Marc Pennisi**, had convinced his partner **Georgina Vorkas** on Saturday to partake in a training run for the Bridge to Brisbane the next day.

Pennisi, Vorkas, along with Russo herself and others embarked on a light run around the city but stopped abruptly on the Goodwill Bridge.

At the top of the bridge there was a band and video cameras along with a jeweller. Marc embraced Georgina, dropped to his knees and surprised all by proposing marriage.

She agreed and the wedding is now in the planning stages.

YES: Marc Pennisi proposed to his partner recently.
